| OBJECTIVE | Senior Wordpress Developer Gross Annual Salary: 35-40K |
| PROFESSIONAL SUMMARY | <ul style="list-style-type: none">6+ years of WordPress development working across 2 web agencies.Technical Lead experience, mentored and led a team of 8 web developers.Reduced project delivery time by 40% by optimizing internal workflows and implementing new technologies.Strong client collaboration skills, translating requirements into solid results.Front-end development expertise with a focus on JavaScript and PHP. |
| EXPERIENCE | <div>Technical Lead / Senior Wordpress Developer 2022-2025</div> <div>Brain Computing S.p.A. Remote - Szeged, Hungary</div> <p>As a Technical Lead, I oversee the development of high-quality WordPress websites while remaining actively involved in hands-on coding. I work closely with clients to gather requirements and translate them into scalable, maintainable solutions. Beyond development, I optimize workflows, establish best practices, and mentor junior developers to elevate team efficiency. Balancing leadership and technical execution, I personally develop complex websites, ensuring high performance, security, and seamless user experience.</p> <div>Wordpress Developer 2019-2022</div> <div>Mama Industry Office - Rome, Italy</div> <p>I joined this startup as one of its first employees where my programming background allowed me to quickly learn and master WordPress. I've learned how to use the Elementor visual builder and gained a broad understanding of projects by working with different departments across the company.</p> |
| SKILL SET | <div>Technical Skills: PHP, JavaScript WordPress, Elementor</div> <div>Tools & Software: Adobe Photoshop, Illustrator Asana, ClickUp Google and Microsoft Suite</div> |
